I guess that we can use Val's latest summary (modified a little) and say yes to all of it being provided to the UC!? I know that the JIC has it all.

Steve,

Please survey the entire RRT for the following information:

- 1) What environmental data are you collecting?
- 2) What is the intended purpose of that data?
- 3) Is the data being provided to Unified Command?

Eric, please send me this info for EPA's work. Thanks
